DPD-0562-60
19 January 1960**MEMORANDUM FOR THE RECORD**

SUBJECT: Approval of Amendment No. 3 to Contract No. HF-2249 with General Precision Laboratory, Inc., Pleasantville, New York, [REDACTED] Project CHALICE (Air Force)

25X1A

1. This memorandum contains a recommendation submitted for approval of the Deputy Director (Plans). Such recommendation is contained in Paragraph 5.

2. Contract No. HF-2249 covers requirements of the Air Force for Radan and related equipment. Amendment No. 3 has been drawn to reflect the final redetermined price. Details of the negotiations are contained in DPD-0502-60 dated 19 January 1960.

3. Amendment No. 3 reduces the funding which should be liquidated as follows:

25X1A

By concurrence to this memorandum the Comptroller signifies that funds have been adjusted as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.
